

2009 Secretary Report

PHEW!!! 2009 has drawn to a close with 2093 financial members. What a busy year, with some major changes to the track this year. All the changes have been widely appreciated and enjoyed by our members.

Thank you to the fellow committee members. I have enjoyed my year being a member of a great team. Thanks for the support you have all given, this has been greatly appreciated.

A big thank you goes to the gate keepers who offer their time over the weekends and every Monday so as the club may open for all of the members to enjoy the facilities we offer. And thank you to Mark Ryan for stream lining the sign on process making it easier for everyone.

Seven point score rounds and where held throughout the year, with great efficiency and success. Thank you to our officials for these days. Mark Mills, Mark James, Werner Parady, Jenny Lochhead, Joy James and our scrutineers.

The Moto Trails held a round of the NSW championships in May which was ran with success, congratulations to Gary Boniface and Chris Broad.

Thank you to the people behind the scenes that constantly put their hands up. Many hands make light work and for this we thank you.

Congratulations must be given to the people behind the successful submission to hold a round of the NSW State Titles. This no doubt will bring it's challenges, which I am sure with the sub- committee in place and working as a team we shall concur.

Most of all, thanks goes to our members you are the important ones whether you are the recreational, moto trails or motocross rider. I hope you have enjoyed the 2009 year. And look forward to your return for a even bigger and better year in 2010.
